

Privacy Policy for “Drink More Water - Reminder”

Effective date: [October 26, 2025]

dreampuddle respects your privacy. This Privacy Policy explains how “Drink More Water - Reminder” (the “App”) handles information.

1. Information We Collect

We do not collect, store, or transmit any personal data to our servers or to third parties. The App does not use analytics, advertising SDKs, or crash reporting services.

The App stores the following information locally on your device only:

- Hydration data you log (e.g., ounces consumed)
- App settings (e.g., daily goal, notification window, selected sound, mute preference)

2. How We Use Information

All data is used solely to provide core functionality:

Because we do not collect any data off the device, there is no sharing or selling of your data.

- Display your progress and daily goal
- Schedule optional local reminders within the hours you choose
- Play optional sound and haptics on tap

3. Notifications

If you enable notifications, the App uses local notifications scheduled on your device. You can change notification permissions at any time in iOS Settings > Notifications.

- No device tokens are created or sent to us.
- No remote (push) notifications are used.

4. Children’s Privacy

The App is intended for a general audience and does not knowingly collect personal information from children. Because we do not collect data, there is no personal information to delete. If you have concerns, contact us at [Contact Email].

5. Data Retention and Deletion

- All hydration data and settings are stored only on your device.
- Uninstalling the App deletes all data associated with the App.
- You can reset today’s intake within the App’s settings.
- To remove all App data without uninstalling, you can also Offload/Delete the App in iOS Settings > General > iPhone Storage.

6. Security

We rely on iOS and Apple's security model to protect data stored on your device. We do not transmit your data to our servers.

7. International Users

We do not transfer data internationally because we do not collect or process data on our servers.

8. Changes to This Policy

We may update this Privacy Policy to reflect changes in the App or legal requirements. We will update the "Effective date" above when changes are made.
